

HobbyBuzz Child Safety and Consent Policy

1. Parental Consent

We require verifiable parental or guardian consent for all users under 18. Parents must register their child's account and manage communications.

2. Use of Child Data

We collect and use children's data solely for matching them with suitable activities and improving the service. Data is stored securely and never shared without permission.

3. Activity Providers

We partner only with vetted and trustworthy activity providers who meet basic safety and working with children checks as per Queensland law.

4. Reporting Concerns

If you have a concern regarding child safety, report it immediately to [dimitriankiri@yahoo.com].

Serious matters will be escalated appropriately.
